## How it Works

We offer programming for dog-social dogs, and for dogs who prefer the company of humans. Our daycare programs are designed to provide your dog with activities that fulfill their most important behavioral needs, such as:

- Small playgroups carefully matched by size and play style. *Only available for highly dog-social dogs with no history of aggression*
- Obstacles & agility
- Scent games/sniffing games
- Shredding & tearing activities (enrichment boxes)
- Gripping & tugging games
- Scavenging & foraging games
- Relaxation games
- Chasing games

Daycare days include enriched meal & snack times; exercise, play & enrichment sessions; multiple private potty breaks; and dedicated rest periods.
